The APA citation style is a parenthetical author-date style, meaning that you need to put the author's last name and the publishing date into parentheses wherever another source is used in the narrative. The APA format consists of in-text citations and a reference list, along with guidelines for formatting the paper itself.

**FREE APA Citation Generator & Format | Cite This For Me**
APA format is the official style of the American Psychological Association (APA) and is commonly used to cite sources in psychology, education, and the social sciences. The APA style originated in a 1929 article published in Psychological Bulletin that laid out the basic guidelines.

**APA Format: Basic Rules You Must Follow**
To cite a quality standard or guideline in APA Style, provide the author, date, title, and source of the work. After the title of the work, provide any number or identifier for the standard in parentheses without italics. Here is a template for citing a standard:

Basic book citation format The APA in-text citation for a book includes the author's last name, the year, and (if relevant) a page number. In the reference list, start with the author's last name and initials, followed by the year. The book title is written in sentence case (only capitalize the first word and any proper nouns).

**How to Cite a Book in APA Style | Formats & Examples**
APA Format is the official writing style of the American Psychological Association, and is primarily used in subjects such as psychology, education, and the social sciences. It specifies how to format academic papers and citations for publication in journals, periodicals, and bulletins.

**The Complete Guide to APA Format in 2020 – MyBib**
Include an in-text citation when you refer to, summarize, paraphrase, or quote from another source. For every in-text citation in your paper, there must be a corresponding entry in your reference list. APA in-text citation style uses the author's last name and the year of publication, for example: (Field, 2005).

**In-text Citation - APA Quick Citation Guide - Library ...**
In-text citation is usually written in a parenthesis with the last name of the author and year separated by a comma. If the last name of the author is included in the text, write only the year inside the parenthesis. Include the name of the author, year, and page number if a part of a work is directly quoted.
