Endocrinology 6th Edition - amazon.com

Endocrinology 6e is a good choice to build a strong concept in this field. It is a complex subject but the authors have discussed the topics simply and effectively without sacrificing quality of text. Page and print quality is satisfactory but not great. It is in black n white format. The book is reprint of 2007 edition of the original book.

Brand new to this fifth edition of Endocrinology is a set of review questions at the end of each chapter. Answers to these questions are to be found at the end of the book following the last chapter. The questions and answers were provided to the publisher, Prentice Hall, by a professor who has used the textbook for many years.
