Lifestyle Business Owner Academy from Aaron and Mayumi Muller

In a lifestyle business, the owner is responsible to no one but himself. A startup has the responsibility of making it big and earning money in order to be able to return the investment of the financiers and investors, as well as line the pockets of the owners.

How to Start a Lifestyle Business | Cleverism

What makes a lifestyle business different from a startup, is that its main purpose is to make just enough revenue so that the owner can sustain the lifestyle of his choice, do what he loves and have enough time on his hands. A startup, on the other hand, is all about maximizing profit.

What is a Lifestyle Business and 3 Solid Reasons to Build ...

A lifestyle entrepreneur is someone who tailors their business to support their lifestyle goals. Lifestyle entrepreneurs typically prioritize freedom over business growth. Like other entrepreneurs, lifestyle entrepreneurs should have a business plan and business goals; however, these goals will be in service of their greater lifestyle goals.

Lifestyle Entrepreneur: What Is It?

The goal of a lifestyle business is to make enough money to be comfortable while having freedom and a good work-life balance while doing work that you enjoy. Many lifestyle businesses were started based on the owner's particular hobby or passion and represent their personal values. Lifestyle Business vs. Growth-Minded Business 00:00

Lifestyle Business vs. Growth-Minded Business

Work-Life Balance for Small Business Owners . While running your own small business brings a lot of positive aspects to your workday, business owners are often particularly prone to spending too much time on the work side of the work-life teeter-totter.

Work-Life Balance: What Is It? - The Balance Small Business

After twenty-five years as an entrepreneur, the most common misunderstanding is the difference between "lifestyle" and "scalable" businesses. While the term "lifestyle" seems to conjure up the vision of a mom and pop business like a flower shop or café, the specific type of business is generally not the central defining factor.Rather, the purpose of the business tends to segregate ...

What's the Difference between a Lifestyle Business and a ...

A lifestyle business is a business set up and run by its founders primarily with the aim of sustaining a particular level of income and no more; or to provide a foundation from which to enjoy a particular lifestyle. Some types of enterprise are more accessible than others to the would-be lifestyle business person.

Lifestyle business - Wikipedia

Aaron brings more than 20 years of small business ownership to bear to help you with the real problems you face as an independent small business owner.Owning your own business gives you freedom and opportunity, but it can be challenging to go solo.
